

THE MEDIA CENTRE CREATIVE LOFTS

The Creative Lofts are a development of 21 work-live spaces specially designed for people in the creative and media sectors who are looking for a more flexible approach to rented office accommodation. Developed by the Places for People group and managed by The Media Centre, the Grade II listed building dates back to 1861 and has been sympathetically converted to provide high quality accommodation with wooden floors, large windows and modern kitchens/bathrooms.

There are a range of unique apartments including single studios and two-bedroom split-level mezzanine-floor apartments with balconies. Each loft space is open-plan, giving you maximum flexibility to design your work-live areas according to your individual needs. You'll also have access to meeting rooms, wireless internet enabled zones and on-site IT support.

The Lofts are available to rent on a 12 month lease, annually reviewed, and prices start from as little as £121.63 per week. We'll also help you source business advice and support, individually tailored to your needs - we'll be here for your business as much or as little as you need us.

- increase your set up viability by integrating the cost of business premises with housing costs
- reduce your commute: save time and money and reduce your carbon impact
- take control of your work/life balance

Located in the Media Centre quarter, you are immediately part of a powerful business and social network of likeminded Creative and digital businesses, with access to the Media Centre's range of support services including IT, Front Desk, creative programme, conferencing and of course Café Ollo.
